**PETITION FOR REVIVAL OF APPLICATION FOR PATENT
ABANDONED UNINTENTIONALLY UNDER 37 C.F.R. § 1.137(b)**

Mail Stop Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This Petition requests that the above-identified patent application be revived on the basis that its abandonment was unintentional.

The above-identified application became abandoned for failure to file a response to the Office Action (Action under Ex Parte Quayle) mailed on March 10, 2004, which set a two-month period for the response. In that Office Action, Examiner Mauria Baker indicated that a call requesting authorization to cancel non-elected claims had been made to Applicants on February 27, 2004, but that no reply had been received. Applicants have no record of receiving such communication. The Office Action was received by the undersigned on March 12, 2004. A letter reporting the Office Action was mailed to Applicants on April 22, 2004. The undersigned attorney for Applicants called Examiner Baker's telephone on May 7, 2004 (571-272-0805). Examiner Baker did not answer and a recorded message encouraged the undersigned to leave a voice mail message. The undersigned proceeded to leave a voice mail message authorizing cancellation of all non-elected claims on Examiner Baker's telephone on May 7, 2004. Applicants were not aware, until learning from Examiner Andrew Wang on December 16, 2004, that Examiner Baker had resigned from the USPTO in March of 2004. The recorded message on Examiner Baker's telephone accessed by the undersigned on May 7, 2004 did not indicate that Examiner Baker was no longer working at the Patent Office. Applicants were unaware that the authorization to cancel non-elected claims given to Examiner Baker by telephone message on May 7, 2004 was not received or recorded by the USPTO.
